Industrial packaging and logistics

Capital goods need to be optimally protected during transport too. Moreover, every product has its own specific features and there are special regulations for many destinations. That's why you should trust your **industrial packaging** to B.K.S.I. PACKING N.V.

Multinational projects

B.K.S.I. PACKING N.V. is also your first port of call for **packaging assignments abroad** or **multinational projects**. As a member of the **INPRO group**, we only entrust your assignments to packaging companies that share our philosophy: **quality and service at the right price**.

Team

B.K.S.I. PACKING N.V. has counted on its team of **35 specialists and knowledgeable, experienced and motivated staff** for years. Our job is to find and implement the **perfect, affordable solution** for any packaging problem within the agreed – and sometimes very short – deadline.

11 600 m²
SITE

- Seaworthy packaging
- Air cargo packaging
- Truck and container loading
- Packaging throughout Europe
- Complete projects both within and outside Europe

OWN TRUCKS & FORKLIFTS

RANGING FROM
4 TO 7.5 TONNES

3 000 m²
ENCLOSED
PACKAGING HALLS

Infrastructure

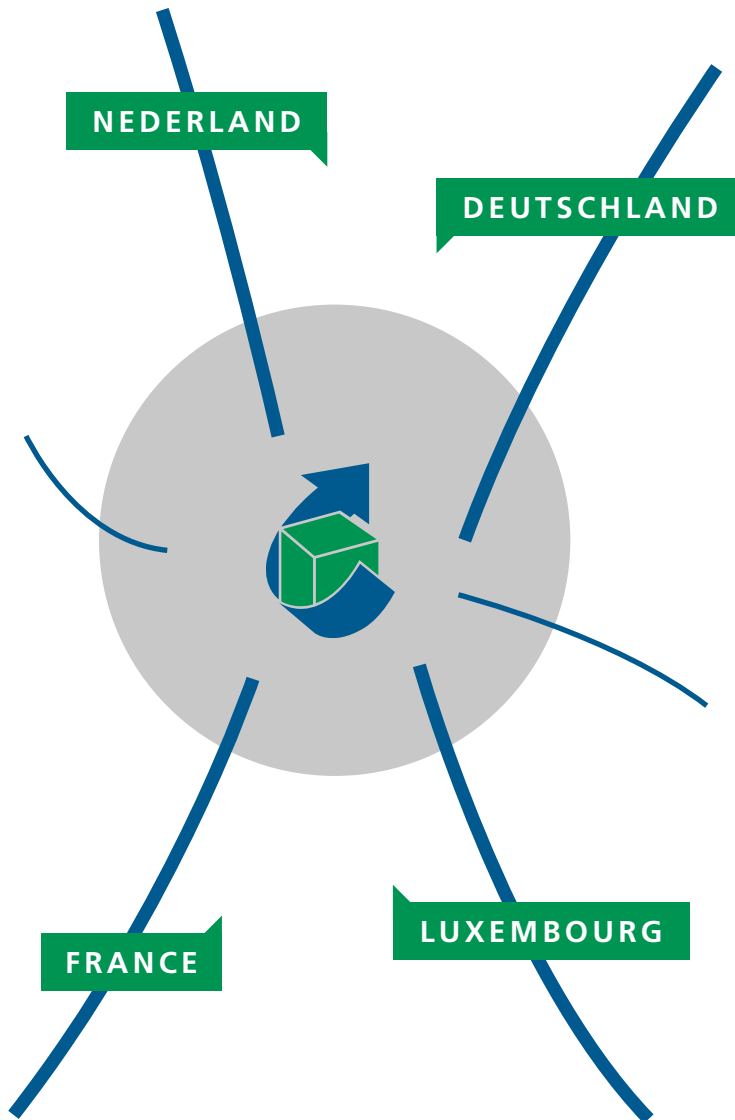

Of course it is not just our knowledge and location that are important; how we handle and store your goods is crucial. This is precisely the reason why we have invested in **modern handling equipment** such as overhead cranes, forklift trucks and loading docks in a **modern packaging hall**.

With a **site** of over **11,600 m²** we also have the necessary capacity to store your goods.

2 OVERHEAD
CRANES
EACH WITH A
CAPACITY OF 12,500 KG
(25 TONNES IN TANDEM)

Location

Our company is situated on the edge of the **Antwerp port area**, right by the junctions of the primary motorways to and from Germany, Luxembourg, the Netherlands and France. It is a **great location** which also keeps your logistics costs down.
